

There is nothing like warming up next to a woodstove. It is as if the warmth goes all the way to the bone. Today we want to gather around the Word of God and warm up in its glowing (Colossians 3:12-14). It warms the soul to know we are loved by God.

God helps us put on love for others as we feel the warmth of who we are in Christ. God expects us to love and comfort others with the love and comfort we receive from Him (2 Corinthians 1:3-4). When is the last time you snuggled up to the warm fact that God loves you? With the spirit of Star Wars episode 7, Colossian 3 says, *In Christ the warmth awakens*. May the warmth be with you in 3 ways so we can put on love for others:

1. May the warmth be with you because you are _____ . Col 3:12

Ephesians 1:3-5
1 Peter 1:1-4

Colossians 3:1-4
