

I like donuts, especially potato donuts from the PA farm show. It is amazing the great things made out of potatoes. Can you tell the difference between instant and real potatoes? We are passionate about putting on our plates tators that are real. We need to be passionate about putting on love that is real (Col 3:12-14). Love is like tators, people can tell the difference between real and fake.

Do we love as sinners or saints?

Luke 6:31-36

Do we "put on" love only as the world does?

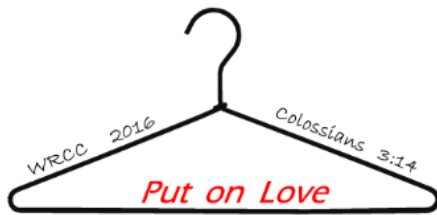

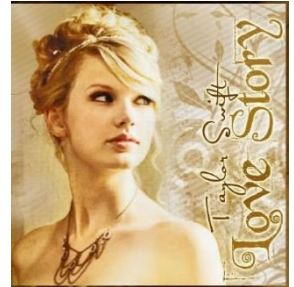

1 John 2:15-17

The real love story is learned from Jesus.

1 John 3:16-18

1 John 4:7-11

Colossians 3:22-24

2. Love like the _____, not the imitator.
