

The Titanic was built with great glory; yet, it sank in 1912 on its maiden voyage. For 73 years it was hidden at the bottom of the Atlantic Ocean. When discovered in 1985 it revealed no glory, no hope, no life, and no future. How do you see the Church, Christ, and your spiritual life? Do you feel like the Titanic? Headed toward an iceberg? Has your love grown cold?

Since Jesus' ascension He has been hidden in Heaven for over 2000 years. Sometimes we lose hope and forget Jesus will be revealed a 2nd time (John 14:1-3). To love Christ is to love his 2nd coming (2 Tim 4:8). Unlike the Titanic, Jesus will be reveal with great glory (Col 3:1-4). Notice the hide and seek theme.

- 1. Christians are HIDDEN with Christ. Col 3:1a
- 2. Christians are to SEEK things above. Col 3:1b-2
- 3. Christians are SAFE in Heaven. Col 3:3

- 4. **Christians will be _____ with Jesus.**
