

Tax day is normally April 15, but this year it was April 18 because of Emancipation Day when President Abraham Lincoln signed a bill ending slavery in DC. The proclamation declared "all persons held as slaves ... are, and henceforward shall be forever free." Can you imagine the rebirth of freedom the slaves felt? As Christians we should feel reborn because we are set free from sin (Romans 8:1-4). We are free to obey the Old Testament 10 commandments by obeying 2 greatest commands in the New Testament (Matthew 22:34-40). Jesus divides Old Testament law into 2 New Testament categories. Like a bicycle, it take both wheels to be a balanced Christian.
