

Welcome to bicycle Sunday! Today after the 2nd service please stay for the picnic and bike rodeo. The great feeling about a bicycle or motorcycle is the feeling of freedom. In 1968 Steppenwolf released the song titled: Born to be wild. There are moments we want to be wild and free, but real freedom is enjoyed in Christ (Galatians 4:31-5:1). We are free to be forgiven of our sins by grace instead of the 10 commandments (Romans 8:1-4). Jesus divided the 10 commandments into 2 categories: love God and love one another. Like a bicycle we need both wheels to be balanced. Last Sunday we learn 4 spokes in the 1st wheel: *No god, idol, name, and remember Sabbath*. Today we learn the 1st spoke in the 2nd wheel.
