

Forrest Gump said, “Jenny and Me was like peas + carrots.” Peas and carrots just go together. God brings things together closer than peas and carrots (Matthew 19:4-6). In creation at the 1st marriage God set a precedent for marriage and family (Genesis 2:22-25). God joins husband and wife like peas and carrots into one flesh; yet, in our fallen world marriage is not always happily ever after (Matthew 19:7-9). God has given us 10 commandments to limit the pain and suffering we experience. Jesus divided the OT law into two categories: *Love God* and *Love One Another*. Today we will look at 3 definitions revolving around commandment #7, “You shall not commit adultery” in Exodus 20:14.
